Camps take place at Glade Run Adventures' Specialty Services,, 70 Beaver Street, Zelenople PA 16063

Fun is our #1 priority!

Learn horsemanship and riding skills, work with small farm animals, help to create theme gardens, and do some outdoor exploration- all so that your child can continue helping children with disabilities through the remainder of the summer to enjoy all that Glade Run Adventures has to offer!

Campers will participate in activities in the greenhouse, gardens, horse barn, small animal and wooded areas as well as in the art room and kitchen.

All activities are aimed at helping kids learn something new, have fun, and expose them to activities they can use assisting special needs campers with throughout the summer as a Counselor in Training!

Campers are responsible for their own transportation and lunch with the exception of Friday's pizza party. Boots and helmets are provided; however, campers should come prepared with their own long pants. A personal water bottle, sunscreen, and bug spray are also recommended.

*Send your children to a camp
where they can learn the
satisfaction of volunteering!*
