ANNUAL REPORT

A LETTER FROM OUR PRESIDENT

We are pleased to share the 2018-19 Annual Report of Glade Run Lutheran Services. This report has special meaning for me, as it represents the first full year of my service to this remarkable, resilient agency and demonstrates the continued commitment to children and families that first drew me to serve at Glade Run. As our programming evolves to meet the continually changing and challenging needs of those in our community, we honor our commitment to link faith and service, providing compassionate and innovative care to children, adults and families.

Thanks to our staff, board, volunteers, partners and supporters for a year of exciting growth. I look forward to sharing our continued successes and expansions with you.

OUR IMPACT

(Actual client responses from discharge surveys)

I am in a better place from the counseling. I am able to work and overcame my social anxiety.

Great improvement has been seen in my son. Coping skills improving. Our family is grateful for these services.

EPIC has helped me identify my emotions and strengthen my relationships. It has helped me have a better relationship with my kids. I believe in myself and love myself more. I have friends here. I didn't have friends before.

A well-rounded camp experience for special needs individuals run by extremely qualified staff. This has been the best experience for my daughter!!! She THRIVED at each session.

I am so appreciative of the care our students receive at St. Stephens!
