ANNUAL REPORT

During fiscal year (2019-20)

5,365 children, youth, adults and families received life-changing care through innovative and successful programs, covering **11** counties and **48** school districts.

A LETTER FROM OUR PRESIDENT

Beginning with our most successful summer programming season and ending with the challenges of a global pandemic, 2019-20 was a fiscal year worthy of amusement park roller coaster status. The lows of being unable to provide in-person programming due to state and local restrictions were balanced by the highs of starting new programming and finding new ways to successfully connect with and deliver services to students and clients. I am grateful to share that Glade Run ended the fiscal year on positive notes, thanks to the determination of our staff and the support of our stakeholders and donors.

As a Sanctuary certified agency, Glade Run is committed to growth and change. This commitment was evident in 2019-20 when remote learning, tele-health and -psychiatry, and virtual events became necessary. We are grateful that as an essential, life-supporting service, Glade Run was able to continue to provide services while maintaining staff and client health and safety.

We're pleased to share our 2019-20 annual report to our friends who helped us successfully navigate this unprecedented year.

GLADE RUN LUTHERAN SERVICES REVENUE DISTRIBUTION

OUR IMPACT

(Actual client responses)

I just wanted to thank you for running such an incredible program. I have been very frustrated with the regression I have seen in Evelyn since Covid started. At your camp, she showed such amazing progress in such a short period of time. She LOVED the riding and the horticultural program.

The EPIC program is a safe place to go to get support and work on goals.

I cannot tell you how thankful I am for Glade Run. Our daughter has been taking lessons since Spring 2020 and we have truly seen many changes in her. She has taken part in many different therapies, but we see the most growth from horse therapy.

I am so appreciative of the care our students receive at St. Stephens!

EPIC taught me to be a better me!

Glade Run offers children and families a variety of treatment services through six locations: Zelienople, Beaver Falls, Butler, Pittsburgh, Rochester and Utica.
