ANNUAL REPORT

Glade Run's mission is empowering individuals to experience personal wellness and growth.

In 2020-21, Glade Run provided

4,444 children, youth, adults and families with life-changing care through innovative and successful programs, covering **18** counties and **52** school districts.

A MESSAGE FROM OUR PRESIDENT

In 1849 – a few short years before Glade Run's founding – French writer Jean-Baptiste Alphonse Karr wrote *“plus ça change, plus c'est la même chose”* – the more things change, the more they stay the same. This references situations where there is meaningful change, yet many underlying fundamentals remain. This quote came to mind as we prepared our 2020-2021 Annual Report for Glade Run Lutheran Services.

This fiscal year saw the launch of new programming that allowed us to further expand our service delivery in new areas and ways. While we continue to grow, we remain committed to maintaining excellence and quality in our existing programs. We are pleased to share our impact and successes in the attached report.

As always, we are grateful for the collaboration and investment of our partners, donors, volunteers and staff as we work together to serve Western Pennsylvanians in need.

OUR IMPACT

(Actual client responses)

“

I just want to thank the staff of St. Stephen's for all the help they gave my son. He is now back in traditional school (although strictly virtual this year due to COVID) and is doing great. He has been able to rejoin Boy Scouts and play soccer again. The help he received at St. Stephen's played a major role in all the growth he has made.

“

Glade Run Summer Adventures really does individualize for each camper. They are prepared for campers with unique and intense challenges. EVERYONE does what it takes to make the experience a positive one. The staff doesn't expect the camper to follow a rigid plan; the activities are adapted and modified as needed. Truly the way it SHOULD be for all kids with exceptionalities!

“

Adventure Camp was a wonderful opportunity for my child to be accepted for exactly who he was, and to be mentored by staff who understood his disabilities and behaviors well. My child made friends and for the first time in a long time was a happy member of a group of friends.

“

Glade Run is the best place to go if you need someone to talk to. They take the time to listen and really do care about the people they see.

Glade Run offers children and families a variety of treatment services through six locations: Zelienople, Beaver Falls, Butler, Pittsburgh, Rochester and Utica.
