

Steven T. Green, M.A.
President/CEO, Glade Run Lutheran Services
Christopher Phillips
CFO, Glade Run Lutheran Services

Glade Run's mission is empowering individuals to experience personal wellness and growth.

In 2021-22, Glade Run provided:

5,414 children, youth, adults and families with life-changing care through innovative and successful programs, covering **18** counties and **59** school districts.

A MESSAGE FROM OUR PRESIDENT

Here we grow again! As the impacts of the COVID-19 pandemic continue to recede in our rear view mirror, the road ahead continues to blossom with opportunity. During the past fiscal year, we had the opportunity to expand our physical presence in Butler County with the purchase of the former Grace at Calvary Lutheran Church in downtown Butler. The new Grace Community Wellness Center immediately opened a Community Monitoring Program and has continued to develop new offerings to better serve our neighbors. Butler was not the only county to see growth during 2021-22. School based mental health continues to expand throughout Western PA, providing students access to supports within public, private and charter schools. Summer programming experienced record growth with full camp sessions, and our innovative Independent Living Experience also saw record attendance. During this time, Glade Run was also the recipient of Butler County Chamber of Commerce's Business of the Year award – an honor we cherish – and multiple other awards. Truly, 2021-22 was a year that we were able to fulfill and expand our mission, and we're grateful for our partners who allow us to help others.

OUR IMPACT

(Actual client responses)

“

Glade Run helped our family through some very difficult times. Their care and support not only helped us physically and mentally, but gave us hope that all would be okay. Glade Run's staff remind us we are not alone and that we will be okay.

“

I have been in and out of treatment facilities for most of my teens. Finally through Glade Run, I have been able to learn how to manage my mental health and stay out of inpatient treatment for over a year. Thanks to Glade Run, I have finally been able to get and keep a job. I am not by myself, and I am glad to know that there are people in my corner to be there for me.

“

Glade Run Adventures Camp is a special place that gives children the support they need to experience a sense of belonging and fun.

“

Glade Run understands children with special needs. Many school programs say "Here is what we offer." Glade Run says "Here is what we offer, but we will make this or that variation to give success to every student."

Glade Run offers children and families a variety of treatment services through eight locations: Beaver Falls, Butler, Pittsburgh, Rochester, Utica West View, Wexford and Zelienople.
