Therapeutic Lessons

Make friends, feel calmer and more confident & improve your relationships — all while having FUN!

Equine Assisted Learning

Join the fun with horses! Whether neurotypical or neurodiverse, everyone is welcome! Learn and practice skills focused on making friends, feeling calmer, building confidence and improving communication and relationships. Equine specialists with years of training in working with humans and horses will pair you to the right horse and create lessons designed to meet goals that you set. Lessons may take place in our indoor arena, covered outdoor arena, or on trail.

Wellness Workshops

Practice established techniques to reduce stress, re-energize, engage your senses, and connect with the natural world around you. Workshops may include a wide variety of experiences, depending on group interest, including partnering with our therapy horses, horticultural activities, therapeutic art, therapeutic yoga and more!

90 Minute Session - \$25/person

Maximum of 12 and minimum of 6 participants/workshop

Adventures Camps

Kids can enjoy a FUN Summer Camp experience while developing social skills!

Specialized Adventures Summer Camp

This two-week day camp is specifically designed for children diagnosed on the autism spectrum who are ready to make friends, however, any child ages 8 to 18 in need of social skill development is considered. Campers spend their day participating in all of the traditional camp fun like arts and crafts, games, therapeutic riding, playing in nature and so much more!

2 Week Camp - \$1,600

Registration fees may be covered by school districts or grant funding

Independent Riders Camp

Participants who are able to independently connect with horses can deepen this connection to their equine partners by spending more time and guided instruction during one, two or all three of the week-long camps offered.

\$425 per week / Discounted rate of \$1,025 for those taking all 3 weeks

Counseling

Improve your mental health through engaging in therapy that focuses not just on your thoughts, but your experiences.

Equine Assisted Psychotherapy

Partner with horses, a trained mental health clinician and an equine specialist to experience change. Additional fees required for mounted work.

Experiential Therapy

Partner with the natural world to reduce anxiety, depression and improve many more mental health challenges. Sessions are held in woodlands, trails, greenhouse, gardens or in animal pastures depending on client interest.

Trauma Therapy

Put the past in the past and prepare for a better future through trauma treatment at Adventures.

Evidence based treatment modalities are utilized by trained clinicians to support participants in reaching their goals. Counseling services may be covered by your insurance. Individual and group counseling available.
