### A MESSAGE FROM OUR PRESIDENT

**Dear Friends, Partners, and Supporters,**

As I reflect on the 2024-25 fiscal year, one word consistently comes to mind: **Resilience**. This year marked a historic milestone for Glade Run Lutheran Services as we celebrated 170 years of service to Western Pennsylvania. While we take great pride in our longevity, we are even more proud of our evolution. Since 1854, our mission has remained constant — empowering individuals to experience personal wellness and growth — but the ways in which we meet that mission must change as the needs of our community change.

#### Commitment to Excellence

This past year, our dedication to quality was validated on a national level. I am thrilled to share that Glade Run earned a **Three-Year Accreditation from CARF International**. This voluntary, rigorous peer-review process confirms that our programs meet the highest international standards for accountability and clinical excellence. This achievement belongs to our staff. Every day, they model our values through leadership and innovation, ensuring that the children, adults, and families in our care receive not just "services," but life-changing support grounded in empathy and expertise.

#### Building Through Partnership

I have often said that "you don't do anything by yourself." Success in human services is not a competition; it is a collaboration. This year, we strengthened our ties with county partners, schools, and fellow nonprofits to ensure a stronger safety net for the underserved. Whether it was expanding our **Family Wellness Program** into Lawrence County or seeing the continued impact of our **overnight winter warming shelter**, our successes are a direct result of the partnerships we've cultivated.

#### Looking Ahead

While we celebrate these wins, we also acknowledge that the work is far from over. The demand for accessible mental health and autism services continues to grow. As we move into the next year, our focus remains on expanding our reach and deepening our impact — ensuring that Glade Run remains a place where people of all ages can come together to learn, heal, and grow.

Thank you for being a part of our journey. Your support ensures that Glade Run is not just a part of history, but a vital part of our community's future.

With gratitude,

**Steven T. Green, M.A.**

“Our therapist has been AMAZING for school based therapy! She has helped to teach and guide my daughter to use her coping skills and breathing techniques when anxiety/panic attacks come on. She is kind and welcoming. And she has one of the biggest hearts I’ve ever met. She is a treasure!!
